A HINT OF HOLLYWOOD

The theme was Hollywood for this year's 14th annual Daffodil Ball. An incredible 40,000 daffodils were flown in from Scotland and used to create grand table centrepieces incorporating crystal chandeliers. The evening's events included a raffle with 10 spectacular prizes, including trips to Africa and Bora Bora, and music was played from movies such as *The Godfather* and *Gone with the Wind* to get guests in the classic-Hollywood mood. The menu was likewise themed, and included such dishes as *tarte-aux-pommes*- *Pretty Woman*. The Ball raised a record \$2.2-million, with funds going to the Canadian Cancer Society.
